

# Hopatan Mea (Blooming Moon) May

*Shoshone Singer, Alfred Nagitsy, Charley Nipwater*

## ***Tammen Newe Taikwappéh*** **Our Indian Language**

***“We are losing our language and a lot of the older people are gone. It is up to our generation to restore the language the best way we know how. A lot of the children I work with like me to write it for them and they understand it better. If we can work it out some way we can teach it in the schools.”***

*~Audrey Ward~*

*Main Street, Wyoming; 419; Shoshone Language; 1994*
